11th August 2008

U N I C O R N C A M P

At a meeting held between representatives of the Unicorn Camp and a delegation from the Parish Council, the Camp agreed to implement the following measures aimed at alleviating the problems previously experienced.

The Camp agreed to:

- Strictly enforce the 11-00pm 'quiet time' curfew.
- Relocate the music tent in a positive attempt to use the natural landscape features to provide greater sound attenuation.
- Bring forward the drum sessions to an earlier time in the evenings.
- Organise a 'litter pick' at the end of each camp.

They also wish to inform everyone that the 'drumming night' will be held on Friday the 22nd August 2008, with a finishing time of 10-00pm, and not as previously advertised.

If anyone has any further cause for concern will they either please contact the undersigned or a Parish Councillor or the leaders of the camp.

John M Gill
Clerk to the Council.
